Subject: Recommendation: reply to the public consultation on the proposal for an implementing regulation (EU) 2021/XX of the European Parliament and of the Council establishing the European Maritime, Fisheries and Aquaculture Fund (EU) 2017/1004 as **regards the identification of energy-efficient technologies and the specification of methodological elements for determining the normal fishing effort of fishing vessels**

Dear Mrs. Charlina Vitcheva,

Considering the public consultation on the proposal for an implementing regulation (EU) 2021/XX of the European Parliament and of the Council establishing the European Maritime, Fisheries and Aquaculture Fund (EU) 2017/1004 as regards the identification of energy-efficient technologies and the specification of methodological elements for determining the normal fishing effort of fishing vessels, we hereby send you, in annex, our recommendation.

We are available for any further clarifications.

Best regards,

The President of the Executive Committee of the CC RUP,

(David Pavón González)
