Subject: Recommendation (n°22) about the difficulties of the fishermen from La Palma Island (Spain) due to the volcano activity

Dear Mrs. Charlina Vitcheva,

Considering the natural disaster that has been occurring on the island of La Palma (Canary Islands - Spain), the Outermost Regions Advisory Council (CCRUP), represented by its president – Mr David Pavón - and by the General Secretary – Mrs. Daniela Costa - met with the Fishermen's Association of Tazacorte, to listen to their problems and realize how we could support them. In this fruitful visit to the port and meeting with the local community, we hereby send you a recommendation in order to ask Europe to help them.

We are available for any clarifications.

Best regards,

The President of the Executive Committee of the CC RUP,

(David Pavón González)
