Subject: Recommendation (nº25) about the Plan for the conservation of fishery resources and marine protected ecosystems

Dear Mrs. Charlina Vitcheva,

Considering the *Plan for the conservation of fishery resources and marine protected ecosystems*, the Outermost Regions Advisory Council (CCRUP) hereby sends you a recommendation adopted by the majority of the members of the Executive Committee (except for the *Asociación Tinerfeña de Amigos de la Naturaleza*), to the European Commission to consider adapted measures for the Outermost Regions, avoiding the implementation of rules with a strong socio-economic impact on small-scale coastal fisheries.

We are available for any clarifications.

Best regards,

The President of the Executive Committee of the CC RUP,

(David Pavón González)
