Subject: Recommendation (nº26) about the impact of the increase in fuels prices, on the fishery sector in the outermost regions

Dear Mrs. Charlina Vitcheva,

Considering the increase in fuels prices in the Outermost Regions (ORs) that affects significantly the fishery sector, the Outermost Regions Advisory Council (CCRUP) hereby sends you the recommendation adopted by consensus, in order to the European Commission determine fair and adequate support measures for the fisheries sector in the ORs, avoiding the imminent stoppage of the fishing sector.

We are available for any clarifications.

Best regards,

The President of the Executive Committee of the CC RUP,

(David Pavón González)
