Subject: Recommendation about the Nomenclature of Marine Protected Zones in Europe

Dear Mrs. Charlina Vitcheva,

Considering the [work developed by the CCRUP, on the Marine Protected Zones \(MPZs\) in the Outermost Regions](#) and the detection of different classifications for the same MPZs, we hereby send you the adopted recommendation by consensus, in order to standardize the designation of these zones.

We are available for any clarifications.

Best regards,

The President of the Executive Committee of the CC RUP,

(David Pavón González)
