Subject: Recommendation (n°36) about Improving the scientific knowledge and the assessment of deep-sea demersal stocks, in the Outermost Regions

Dear Ms. Charlina Vitcheva,

The Outermost Regions Advisory Council (CCRUP) considers that scientific research should be at service of responsible and profitable fisheries and that the responsible use of the resources is fundamental to guarantee sustainable fisheries, we hereby send you, in annex, the recommendation adopted by consensus about *«Improving the scientific knowledge and the assessment of deep-sea demersal stocks, in the outermost regions»*.

We are available for any clarifications.

Best regards,

The President of the Executive Committee of CCRUP,

(David Pavón González)
