

EUROPEAN COMMISSION
DIRECTORATE-GENERAL FOR MARITIME AFFAIRS AND FISHERIES

The Director-General

Brussels,
MARE/D3/JR

Dear Mr Pavón,

I would like to thank the Outermost Regions Advisory Council (CCRUP) for the advice 24/2024 of 26 April 2024 in response to DG MARE's consultation on social data and the allocation of fishing opportunities. Your detailed input is extremely important as we move forward on these two topics.

Regarding part 1 of the consultation on the development of social indicators, your response was transmitted to the STECF prior to its Expert Working Group that took place from 13 May to 17 May. As such, it was duly taken into account in the preparation of their report which will be reviewed during the STECF plenary in July and subsequently published on the STECF website.

Regarding part 2 of the consultation on the preparation of a vademecum on the allocation of fishing opportunities, my services are currently reviewing all answers received, including CCRUP's. You will be duly informed of next steps in this process.

I look forward to our continued fruitful cooperation. Should you have any further questions on this reply, please contact Ms Julia Rubeck, our Advisory Councils coordinator, via the functional mailbox MARE-AC@ec.europa.eu.

Yours sincerely,

Charlina VITCHEVA
