Subject: Recommendation (n°46) Mandate the European Fisheries Control Agency to act in the French Outermost Regions

Dear Ms. Charlina Vitcheva,

Considering, that the French Outermost Regions (ORs) systematically report problems related to illegal, unreported, and unregulated fishing and that the European Fisheries Control Agency (EFCA) does not have a mandate to organize Joint Deployment Plans (JDPs) and carry out inspections in these Regions, the Outermost Regions Advisory Council (CCRUP), hereby sends you, for your knowledge, the recommendation sent to the French Member-state.

We are available for any clarifications.

Best regards,

The President of the Executive Committee of the CCRUP,

(David Pavón González)
