

MR. LÉONARD RAGHNAUTH - PRESIDENT OF CRPMEM FRENCH GUIANA

the Members of its office and the collaborators of the Committee

We are pleased to invite you to an exceptional nighttime visit to Montabo beach to observe the phenomenon of sea turtle emergences, which will take place on:

**September 17, 2024, from 9:00 p.m. to 10:00 p.m.**

It is important to note that the unpredictable nature of this phenomenon means that it is not possible to guarantee turtle sightings on every visit. However, just being on these historic beaches, under the starry sky, perhaps waiting for the young turtles to emerge, is in itself a memorable experience,
